## Share Your Successes!!!

What **SUCCESSES** did you have this summer? The *Daily Bulletin* will feature student and staff successes that happened between May 25 and August 11, 2002. Please email your success stories to Dan Stutler by Wednesday, August 20. Your success stories may be personal, professional, academic, athletic or other. If you know students or staff members who are too humble or shy to share their successes, please send Dan the details and we'll surprise them. If you have pictures, even better!! Thank you!

**Teachers, Need You IEP Proofread?** – Contact Beth Tulbert or Carla Buttorac, Staff Development Coordinator at Hamilton-Boone-Madison Special Service Cooperative. They would be happy to review the draft of your students' IEPs and suggest ways to them conform to the law or improve them. Contact Beth at [Beth\\_Tulbert@mail.nobl.k12.in.us](mailto:Beth_Tulbert@mail.nobl.k12.in.us) or Carla Buttorac at [Carla\\_Butorac@mail.nobl.k12.in.us](mailto:Carla_Butorac@mail.nobl.k12.in.us). You can call them at 317-773-5321 extension 138 (Beth) or extension 141 (Carla). Their fax number is 317-773-0486.

**Did You Know?** – You can view past issues of the *Daily Bulletin* on the ISD Intranet. If you were absent or busy and could not read previous issues, you can read it at <http://atisd/>. Today's issue plus the last nine issues are available for your reading pleasure on the ISD Intranet.

**Traffic and Pedestrian Changes** – Due to the current demolition of Beecher Hall and the construction of the new Maintenance Building, last spring's traffic changes will continue in effect. The road around the west side of the old Girls Dorm is still one-way south.

Students and staff will enter Brown Cafeteria through the west door only during the demolition of Beecher Hall. Students and staff members walking from Brown Cafeteria to Caskey Gym should walk on the grass between Beecher Hall and the Vocational Building. ***Safety is a must during this time!*** Please help each other supervise our students so no one is injured or even killed. Thank you for your cooperation.

**Deadline for the *Daily Bulletin*** – Send your announcements by email to Dan Stutler by 8:30 am for publishing in that day's DB.

**Message Bulletins** – Send your Morning and Afternoon Announcements for the Message Boards by email to Dan Stutler. The deadline Morning Announcements is 8:30 am and Afternoon Announcements is 2:45 pm. Thanks.

**Math Websites** - Following are a list of web sites that pertain to student K-12. Most of those I looked at have actual activities that students can do for additional practice. Others provide additional information and resources. Activities range from exploration and concept building, lessons using various manipulatives, additional practice with addition, subtraction, multiplication and division, critical thinking skills as well as links to other websites for free virtual manipulatives.

**Twin Tower T-shirts/Sweatshirts/Posters** - It is still possible to order Twin Tower t-shirts, sweatshirts, and posters for the 2002-03 school year. This is the shirts/posters with the Twin Tower design on it that Nick Curtin, now a junior, designed after September 11, 2001 in art class. Pam Lewis still has some sizes available, but if your size is not available, she can order it and have it here in about 1 - 2 weeks. The proceeds are still going to the three different causes: ISD's art departments, Red Cross, and Nick's college fund. If you want one prior to September 11th, then you will need to place an order soon. Thanks to all who have purchased these items. Just out of Pam's office, over \$14,000.00 worth of shirts have been sold. They can be purchased/ordered in Building 6, Room 117, Pam Lewis' office or by calling 924-8402 or just ext. 402.

# Workshop Presentation for Parents

This presentation will acquaint parents with the 6+1 Trait Writing Assessment & Instruction Model and address any questions about the model

When we use the language of the traits, students learn that they need to examine their work for clarity of ideas, the appropriate form of organization, the alignment of purpose and audience in their voice, the precision and accuracy of their word choice, and to make sure their sentences are not only formed correctly, but also have a rhythm and cadence that make their work read smoothly and with style. The traits also reinforce the difference between revision and editing activities-another often confusing part of the writing process. By separating these two processes, writers learn that conventions and presentation are the traits that they go to when it's time for a final, clean copy.

**When: September 5, 2002**

**Where:** Irene Hodock Library, Indiana School for the Deaf

**Time:** 6:00-8:00PM (dinner from 5:00-6:00pm in the Brown Café)

**Did You Know?** – You can view past issues of the *Daily Bulletin* on the ISD Intranet. If you were absent or busy and could not read previous issues, you can read it at <http://atisd/>. Today's issue plus the last nine issues are available for your reading pleasure on the ISD Intranet.

**Need a Payroll Form?** You can access numerous payroll and personnel forms on the NAL Launcher under the Human Resource Tab. There are all different kinds of forms for staff to print off and fill out when needed. This will save you time and effort. For example, if you change your address, you can print out a change of address form and fill it out and send it to Payroll or Personnel through campus mail. This will save you a lot of time.

**Dear Friends,**

It is good to be back to work. I am doing well. The chemotherapy helped shrink my tumor. The surgery was a success, and I am on the road to recovery.

I would like thank you all for the prayers, cards, money and donations. The yard sales were a huge success. It was a tremendous help to us during the summer. I feel blessed to work with so many caring, thoughtful friends.

With Love,

Linda and Megan Shipp

## Announcements

**For Safety's Sake** - As you are probably all aware, construction/demolition activities on the north side of campus has altered student/staff traffic patterns going to and from the Brown Cafeteria for meals. All staff is asked to take extra care when driving in the area, especially during meal times when students and staff will be walking around the Vocational and Brown Cafeteria Buildings. Thank you for your cooperation. - Bob Kovatch

**New Staff Attend BiBi Orientation** – The new staff members at ISD attended a BiBi Orientation for one-and-a-half days last week. Some of the comments at the end of the training were:

- ❖ BiBi training should be spread out all over the nation and within the Deaf community.
- ❖ BiBi is an educational program.
- ❖ I have a better understanding of BiBi so I can do my job better and be professional by learning ASL.
- ❖ BiBi is an on-going process.
- ❖ No matter how many times I attend BiBi training, I learn something new.
- ❖ Customer Service is important when communicating with any hearing/deaf parent and staff.
- ❖ Worked here 9 months and finally put the puzzle pieces together.
- ❖ Worked here 9 months and this was the 1st time for me to interact with Deaf people.
- ❖ Nice to see both the Deaf and hearing perspectives.

Thanks to Louise Fitzpatrick and Diane Jones for providing the orientation.

### Activity Periods for August

## **Announcements**

**B & B High Potential Deaf Volleyball Camp** - On Sunday, July 14th, B & B High Potential Deaf Volleyball Camp opened at ISD to 20 highly talented volleyball players from around the nation. The campers were greeted with challenging expectations set by co-directors: Brian A. Bippus and Lynn Ray Boren and camp staff from the Gallaudet University Volleyball Team: Laurie Anderson, Bellamie Bachleda, Rachel Boll, and Valerie Sharer.

The daily schedule kept the campers busy with different sessions during the day. The morning session included group stations, individualized training and specialized positions. To maintain the ratio of 5 campers per staff, the girls were split into 4 groups and run different drills. In the afternoon session, the girls enjoyed competitive 2-on-2 and 4-on-4 games where they were able to have ball contact more frequently.

The girls also watched videotapes and discussed their weaknesses, performance and improvement. The evening session consisted of scrimmages against VB alumni, local high school teams, and each other on Grey and White teams. These games helped increase campers' knowledge and performance on the court.

The girls also discussed the book "Ten Ways to be a Better Volleyball Player on the Court....That Require Little or No Skill, Ability, or Athleticism!" by J. Marriott. Our guest speaker was Michele Hanson, West Carolina University Volleyball Head Coach and 2001 Deaflympics USA Women Volleyball Assistant Coach. She shared facts about pre and post-season training and game preparation. Twelve awards were presented and the winners were:

Most Accurate Server - Pia Marie Paulone

Best Pepper Players - Pia Marie Paulone and Shabby Razmpour

2 on 2 Champions - Pia Marie Paulone and Ursa Rewolinski

4 on 4 Champions - Kristina Burke, Nellie Noschese, Pia Marie Paulone, and Shannon Swank

"Attitude is Everything" - Charissa Hottle

Most Improved Camper - Ursa Rewolinski

Most Outstanding Camper - Pia Marie Paulone

"Believe and Achieve" Camper with excellent belief and achievement - Kristina Burke

## **Announcements**

**PIP News** - The Parent Infant Program will provide a home visit to a 14 month old and her family in Indianapolis in the afternoon.

**Visitors** - The Parent Infant Program will host a family from Indianapolis visiting the Preschool Department. Please welcome them.

**9/11** - As a tribute to the heroes of 9-11-01, the ISD Social Studies teachers & their students will be presenting a program in the ISD Auditorium on Wednesday, September 11 at 10:15 am. It is their wish that the program focus on the heroes of that day & what students need to do within the USA to "move on with their lives" and work together to make the United States a more secure & safe place to live. The ISD teachers coordinating the program will be U Sung Chung (Elementary), Edna Olsen, Dan Fitzpatrick & Tim Harrold (Middle School) and Jerry Backus (High School). Everyone is welcome to attend.

**Calling In Sick** - This is reminder to staff that when you call in sick, please repeat your name when you leave a message on the answering machine. The TTY answering system sometimes cuts the name off when said at the beginning. It helps if you repeat your name after leaving your message. Thanks for your cooperation. – Pam Lewis

# **STUDENT LIFE CENTER AFTER-SCHOOL PROGRAMS**

The Student Development Center will expand its after-school programming for ISD residential **AND** day students, effective August 12, 2002. This has been done in an effort to meet students' academic and social needs. This expansion also includes increased hours and staff to run the Resource Center to receive tutoring after school and/or after dinner (Sundays through Thursdays), student-work programs and student clubs/organizations (i.e. Jr. NAD, Adventure Club, Cooking Club, Arts/Crafts Club).

## **Day Students**

Day students are welcome and encouraged to participate in any after-school activities coordinated by the Student Life Center. This includes activities occurring after dinner, too.

As in the past, the Student Development Center staff will be responsible for supervising all day students who participate in scheduled after-school activities (aside from formal ISD sports programs).

Parents are responsible for contacting/arranging transportation for their children. Day students can go home on the late bus (provided by some school districts) or be picked up by parents. Parents are responsible for contacting their local school transportation office to make arrangements for their child.

Parents must call the Secretary for the Student Life Center (924-8403 TTY) between 8:00 A.M. and 9:00 P.M. to provide:

1. name of student
2. date and time of student's participation
3. information on student's transportation home
3. any other pertinent information

*This must be done at least 24 hours prior to the date requested.*

If you are requesting your child stay overnight in a residential hall, please contact the appropriate Assistant Dean between 2:00 – 9:00 P.M.

Approval will depend on availability of bed space and availability of staff (to meet the increased student numbers.) *This must be done at least 24 hours prior to the date requested.*

All day students participating in ISD athletic programs **MUST** report to designated residential areas for check-in (Elementary: Willard/Raney Halls, Middle School/High School: Second floor Co-ed Lounge).

## **Residential Students**

There have been some modifications in programs and schedules for residential students.

In order to accommodate programming and to expand educational opportunities for all students, Middle School and High School residential areas will be closed until after dinner. (Middle School residential areas will open at 5:30 p.m. each day. High School residential areas will be open at 6:00 p.m. each day.)

After school, Middle School/High School students will report directly to the 2<sup>nd</sup> Floor Co-Ed Lounge for check-in.

After check-in, students participating in ISD athletic programs will go to designated areas for their activities. All other students will be able to choose from a list of activities.

August 26, 2002

For Those Who Did Not Know:

We are excited to announce that the Student Life Office has moved to Fair Hall, Pod 1 (next to Vincennes University) and is now officially named the "Student Life Center." For years, the offices of the Director of Student Life (Debbie Fetzer), Administrative Assistant (Melba Bippus), Residential Program Director (Yvonne Catt), Health Center Director (Deb Robarge), Interpreting Services Supervisor (Brian Collins), Student Development Educators (Eddie King and Hillel Goldberg), and Student Life Counselor (Cin Pickering) were located in different buildings around ISD campus. This created a major inconvenience for many students, parents, staff and visitors. Fair and Koob Halls were under renovation for almost a year. This gave us an opportunity to evaluate, reorganize and upgrade Student Life Center's programs and services.

The following is a list of changes in the Student Life Center:

- ⊙ Renovation of Fair and Koob Halls is finally complete! Special thanks go to all Middle School and High School residential students and staff for their patience and flexibility in the process. Fair and Koob Halls now have a new look.
- ⊙ To better serve you, the SLC will be open from 8:00 a.m. to 9:00 p.m. from Monday through Thursday and from 8:00 a.m. to 3:00 p.m. on Fridays, effective August 12th. We are currently waiting to have phone and data lines installed in all offices in SLC. We hope that the phone and data lines will be installed by the first week of October. Please bear with us. We only have one phone line to be shared with everyone at SLC. Attached is a copy of the Student Life temporary contact list for your convenience.
- ⊙ SLC has upgraded and expanded after school programs. Effective August 12<sup>th</sup>, all Middle School and High School residential buildings (Fair and Koob Halls) will be closed until after dinner. All Middle School and High School students including day students who want to participate after school activities will report to the activities center (second floor CO-ED lounge) to sign in everyday after school before attending after-school activities such as sports, arts and crafts, student work program, etc. Attached is a copy of detailed information about after-school programs for Elementary, Middle School and High School students.
- ⊙ We are excited that the on-line master calendar is finally up and running. The purpose of the master calendar is to communicate with the ISD community of the school calendar, upcoming student events, staff meetings, etc. for students, families and staff. The master calendar is divided into five categories: all, athletics, students, staff and school. Check it out on [www.deafhoosiers.com](http://www.deafhoosiers.com) then click "activities" and scroll down to the bottom of the page then click "calendar." For staff, who want to put information in the master calendar, please fill out the master calendar form and check with your Division Head Supervisor through your immediate supervisor for approval before forwarding it to the Student Life Secretary. For parents, please submit form(s) to the Student Life Center addressed to SL Secretary for approval.
- ⊙ You may already have noticed new vending machines installed around ISD campus. ISD has contracted with PEPSI (soda beverages, juice and water) and AVS (snack and ice cream machines). Profits will go to Student Life Oriole's Snack Bar and Athletics. If you have problems with any of these machines, please page Eddie King, Student Development Educator.
- ⊙ Last, but not least, we are thrilled to announce that 2003 Camp Willard will change its location from Bradford Woods to Tippecanoe River State Park. After 7 years working with Bradford Woods staff, we are ready to move on and operate on our own. We are currently in the planning stage. More details will be announced in December 2002.

The Student Life staff wishes you all a productive school year. Thank you!

Sincerely,

Debra K. Fetzer  
Director of Student Life

## STUDENT LIFE CENTER MASTER CALENDAR PROCEDURE

The purpose of the master calendar is to communicate with the ISD community (students, staff and families) of the upcoming events that occur on ISD's campus. You can easily find the master calendar on your on the web at [www.deafhoosiers.com](http://www.deafhoosiers.com) then click, "activities" then scroll down to the bottom of the page and click, "calendar."

The master calendar is divided into five categories: athletics, students, staff, school, and all. "All" means complete information from athletics, students, staff and school. "Athletics" - all information regarding to sports. "Students" - after-school activities, student organization meetings, etc. "Staff"- information for staff and can only be accessed by staff. "School" - school calendar, ISTEP information, etc.

If you want to insert your information on the master calendar, you must complete the following steps:

- ⊙ Fill out the master calendar form. You are required to fill out one form for each activity.
- ⊙ Submit your form(s) to your Division Head Supervisor through your immediate supervisor for approval. For example: Education staff gets approval from the Principal, Student Life staff gets approval from the Director of Student Life, etc. *(Note: Please check the master calendar for any conflicts in the existing schedule before sending your request to your supervisor for approval.)*
- ⊙ After the Division Head Supervisor approves your request, send the forms to the Student Life Secretary to feed information into the master calendar.
- ⊙ Special Note: Since it requires time to install information in the master calendar, please submit the master calendar form to the Student Life Secretary at least one week prior to the scheduled activity.

#### **Sprint Relay welcomes you to try two new Relay Indiana services, Sprint Relay Online and Video Relay Service! -**

Sprint Relay Online (SRO) is an Internet relay service, which you can use to make your Relay Indiana calls. There is no charge to use this user-friendly service and all long distance calls are free, 24 hours, 7 days a week! It is easy and again, free to use! High-speed Internet access (cable or DSL) is not required to use SRO. To make relay calls using your computer, go to [www.sprintrelayonline.com](http://www.sprintrelayonline.com), type in the number of the person you want to call and click on the "connect to relay operator" icon. You will be connected to a live Relay Indiana agent, just like relay calls with TTYs. With SRO, You don't need a TTY - just a computer and Internet access. To view our e-card, click on <A
